**“PAINTING THE FIGURE AND ITS ENVIRONMENT”**

**14 nights arriving on JUNE, 16 departing JUNE, 30 2012**  
**3400 Euros Based on 7 students, double occupancy**

Join artist and instructor Margaret Dyer for a workshop in the beautiful French countryside. We'll set up a boudoir scene in the studio and work with the figure in her environment, spending a session with our cameras as well. We'll take excursions to Paris and village markets in the historic Champagne region for more photos, then back to the studio to paint. Every moment will be filled with the French experience.

With a maximum of 7 participants, there will be plenty of time for personalized instruction to take your painting to the next level. Open to artists of all experience levels, even beginners. Although this is primarily a pastel class and demonstrations will be in pastels, artists who prefer to work in oil are welcome.
