

“Painting with Confidence”

August 14-28, 2016

Beautiful Bourgogne Add-On Excursion August 28-September 1

One of the secrets to being a better painter is understanding that we paint most realistically when we are thinking abstractly. Once you learn to harness your mind and approach any subject with the same mindset, you will begin to experience confidence and your work will show it! At La Bonne Etoile, set in the lovely French countryside, you will have the opportunity to paint landscapes, still life and figure, both in the studio and outside. Our side trips will be wonderful opportunities to gather photos and sketches to use later in the studio.
